

Air Volume: 80 CFM

Weight: 10lbs

The Series 200 Floor Sentry fume extractor combines small size, quiet operation, convenient mobility, and high efficiency HEPA or activated carbon filtration to provide an excellent choice for applications where clean air is desired.

The patented fan/filter assembly provides suction at the inlet delivering source capture for particulate or chemical fumes. The modular design and sturdy construction make it a solid solution small or limited workspace environments. The Floor Sentry is an excellent choice for soldering, solvent fumes, particulate removal, and pharmaceutical powders.

Features

- Semi-Supportive Flex Arm
- Lightweight & Compact Size
- HEPA or Other Filters
- Durable Construction
- Quiet Operation
- Lightweight Design

Options

- Hour Counter
- Variety of Mounting Options
- Various Filter Options
- Outlet Plenum for Exhausting
- Variable Speed Controller
