

SAS Clean Air Scholarship

Application & Selection Information

Sentry Air Systems wants to know what air quality means to you and one student will be awarded **(1) \$2,500 scholarship**.

Eligibility

The following eligibility requirements must be met in order to be considered for the scholarship:

- Must be a citizen or legal resident of the United States of America or have a valid student visa.
- Must be registered as a student at an accredited high school, college, or university within the United States ONLY.
- Must have at least a 2.5 GPA on a 4.0 scale.

Application Requirements

1. **Air Quality Importance Story** — Using any format or tools (such as videos, infographics, words, photos, modeling, original art, and imagery) tell us what air quality means to you. Creativity counts!
2. **About You Essay** — Submit a 500-1000 word essay to help us get to know more about you and why you would be a good candidate for this scholarship. Write your essay answering just one (1) of the following questions:
 - What should we do to increase awareness about environmental pollution?
 - What can cities, states, or the nation do to improve air quality?
 - Who do you think is more responsible for pollution, individual people or the government? Explain.
 - How can poor air quality affect one's way of life?
3. **Release Form** — Fill out attached form with your information and releasing permission for Sentry Air Systems to share and reuse your submission.

Deadlines & Submission Information
